

MONROE PARK ADVISORY COUNCIL MEETING NOTES

NOVEMBER 8, 2006

Pat Daniels, Presiding

Attending: Ed Bennett, Dick Swistock, Elinor Kuhn, James Hill, Janice Nuckolls, and Pat Daniels

Notes taken by Suellen Cansler

Ms. Pat Daniels opened the meeting by welcoming everyone.

Ed Bennett, VCU Executive Director for Physical Plant and Deputy for Facilities Management, attended the meeting and was introduced.

There was a brief discussion concerning issues regarding the feeding programs that are occurring in Monroe Park on weekends. Some problems mentioned were illegal parking, people sleeping on benches, individuals leaving belongings in the park overnight, and litter problems. There were some suggestions on ways to try to address these issues but it was decided that since there was not a quorum at this meeting, these would be discussed in further detail at a later date.

Ms. Daniels said that a consultant has been selected for the Monroe Park Master Plan but she did not have details as the City is still in negotiations and it would violate purchasing and procurement policies to openly discuss.

Ms. Kuhn stated that she planned to have daffodil bulbs put in next week in the bed around the fountain in Monroe Park. Ms. Kuhn also plans to have some members of the Friends of Monroe Park get together to decorate.

No official business was transacted due to not having a quorum at the meeting.

The meeting was adjourned.

The next meeting will be held on Wednesday, December 13, 2006, at 4:00 p.m. The location of the next meeting is the Landmark Theater – Lounge B – Upstairs.
